

Full Circle Boutique

What is this all about?

This event was formed to create a unique venue where local artisans can get together to sell their creations in a supportive and fun environment, organized by artisans, not promoters.

Letting the shopping public get together in one spot to spy and buy what all these talented folks have to offer is the objective: you don't have to go to a mega mall or strip mall and buy things that were shipped thousands of miles to make a great gift!

We support sustainable practices and appreciate local, wearable, durable, and authentic gifts. We rejoice in the idea of a "full circle attitude" – synchronicity is all around us – so let's put something good out there!

The Basics

- Only space is provided. For an additional fee, you can reserve tables and chairs.
- Decorated indoor venue in a terrific downtown location
- Limited spaces available to increase personal attention to shoppers
- Exclusive space for artisans (only one of each unique type item will be allowed)
- Electrical outlets are provided
- Indoor restroom and break area

Publicity

Possible outlets include, but are not limited to:

- ✦ Out & About Magazine (30K circulation)
- ✦ Country News (40K circulation)
- ✦ Banner and posters at downtown venue
- ✦ Full color posters in strategic locations
- ✦ Multiple website event calendars
- ✦ Chamber of Commerce event and newsletter announcements
- ✦ Vendor mailing lists and networks (flyers and email newsletters are available for vendor distribution by request or just send out website link – www.feelinggifted.com/fullcircle)

Raffle Prizes

- All artisans will be asked to donate one item (\$10 or more in value) to the Full Circle Boutique (FCB) raffle.
- Tickets can be purchased for \$1 each and there is no limit on ticket purchases. All proceeds from ticket sales will be donated to the American Association of University Women, a non-profit organization that works on local, state, and national levels to advance the education and equality of girls and women.
- Raffle will be in a "free choice" format and there is no need to be present to win. Boxes will be placed in front of each item bidders can put as many tickets as they like in any boxes. Winners will be drawn on the last day towards closing. The bidders' contact information will be forwarded to the artisan of the selected item and all contact information will be retained by FCB for future events. FCB will deliver all raffle prizes to the winners that are not present.
